### OUR GUARANTEE:

Don't hesitate to ask for a sample of any menu item before you order. If you taste anything you've ordered and aren't completely satisfied, please tell us! We'll gladly replace it with a similar menu item. We want your dining experience with us to be exceptional.

### SMOKED LOW & SLOW . . .

We serve authentic barbeque, smoked fresh on site daily, that takes up to 20 hours to prepare. So come early -- we smoke a certain amount each day and sometimes sell out of an item when demand is high. We hate it, and we know you do too, but we refuse to boil, nuke or grill meat and call it barbeque! We won't compromise our competition-quality barbeque and give you less than our best.

### *Watch Dem Bones!*

We use the highest quality "BONE-IN" meats to make our barbeque. Please note that small bone fragments may occasionally remain in the barbeque despite our best efforts to remove them.

### *What is the Smoke Ring?*

Don't worry, the meat is fully cooked!  
The pink or red tint in the meat is caused by the smoke penetrating the meat, and is the hallmark of authentic slow-smoked barbeque.
